

Here's why patients *love* First Stop Health!

"Excellent as usual. **I love how simple and quick it is to get the help you need** with this app and the doctors are very professional and kind."

"**I loved being able to call on the weekend** to address the severe pain I was having in my ear! It was quick, easy and she was very knowledgeable!"

"**This was my first time using FSH and I absolutely loved it.** I didn't have to leave work and my prescription was waiting for me at the pharmacy when I got off."

Robbinsdale Area Schools provides benefits-enrolled employees and your immediate family members with First Stop Health Telemedicine. Get 24/7 care, including prescriptions* when appropriate, for cough, sinus infection, minor injury and more. A visit is FREE.
