

The EZFit program from HealthEZ makes it easy for members to get credit for their health club workouts.

This program is open to employees and dependents over 18 enrolled in the health plan. EZFit members can receive up to \$20 per month towards club membership costs if they meet the required **10** days per month. The program covers up to two people per household who are 18 years of age or older.

Submit your EZFit reimbursement form by the 5th of the month to be processed and reimbursed between the 15th to the 25th of that month via direct deposit.

1. A copy of your monthly bill or payment history showing your monthly membership dues
2. Proof of attendance
3. EZFit reimbursement form
4. Voided check or bank routing and account information

***Note: Any form received after the 5th of the month will be processed the following month. All reimbursement for the calendar year must be submitted by the 5th of January, anything submitted after the 5th of January will not be accepted.**
